## **Introduction:**

The town of Ichenhausen, located in Bavaria, about 100 km west of Munich. Ichenhausen was for centuries inhabited by Jews with a thriving community life. For periods, it was one of the towns with the largest Jewish population in Bavaria. During the Holocaust, all were deported to their deaths and there were no more Jews left in the town. The only signs that remain of the town today are a large Jewish cemetery, a synagogue and an archive with historical information that tells the story.

This document intended to connect the Individual information (Ref. 1) of the Jews residents in Ichehausen from 1933-1945 to their roots families in the town up to 18<sup>th</sup>-19<sup>th</sup> centuries (mainly from Ref. 2, 3). This connection has not been done before and make it possible to connect Holocaust victims to their family roots in the town.

Each family unit is summarized in a table for 4 generations. One for the married couple resident of the town (With their address), there children, parents and grandparents.

The Holocaust victims are highlighted in red. The number above the Name<sup>index</sup> is a reference to the additional information Ref 1. The background color in the table describes the place of residence of the ancestors. In gray for Ichenhausen residents and in white for non. The abbreviations used are: b=born, d=died, m=married, Ich.=Ichenhausen. The Appendix includes a table for main data of: Ref 1. and Ref. 2.

This document was prepared voluntarily for the memory of the Jews dies at the Holocaust. it is not intended for commercial purposes, it is open to researchers only. Many thanks to Dr. Claudia Madel-Böhringer from the Ichenhausen Archives for the Help.

In memory of my great-grandmother who was born and raised in Ichenhausen:  
Henriette Simon nee. Einstein born 20.5.1891 Ichenhausen died 1944 Auschwitz
